PANTHER TALES

Birch Run, Michigan

Birch Run High School,

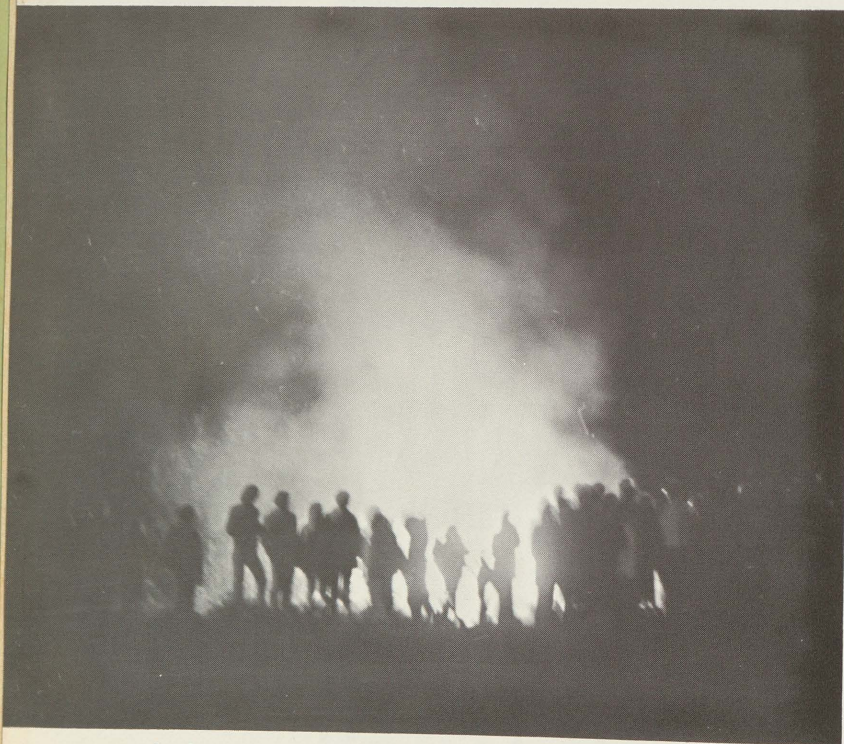

Volume 21

Lee Ann Rushton smiles at her friend which was created by the art class.

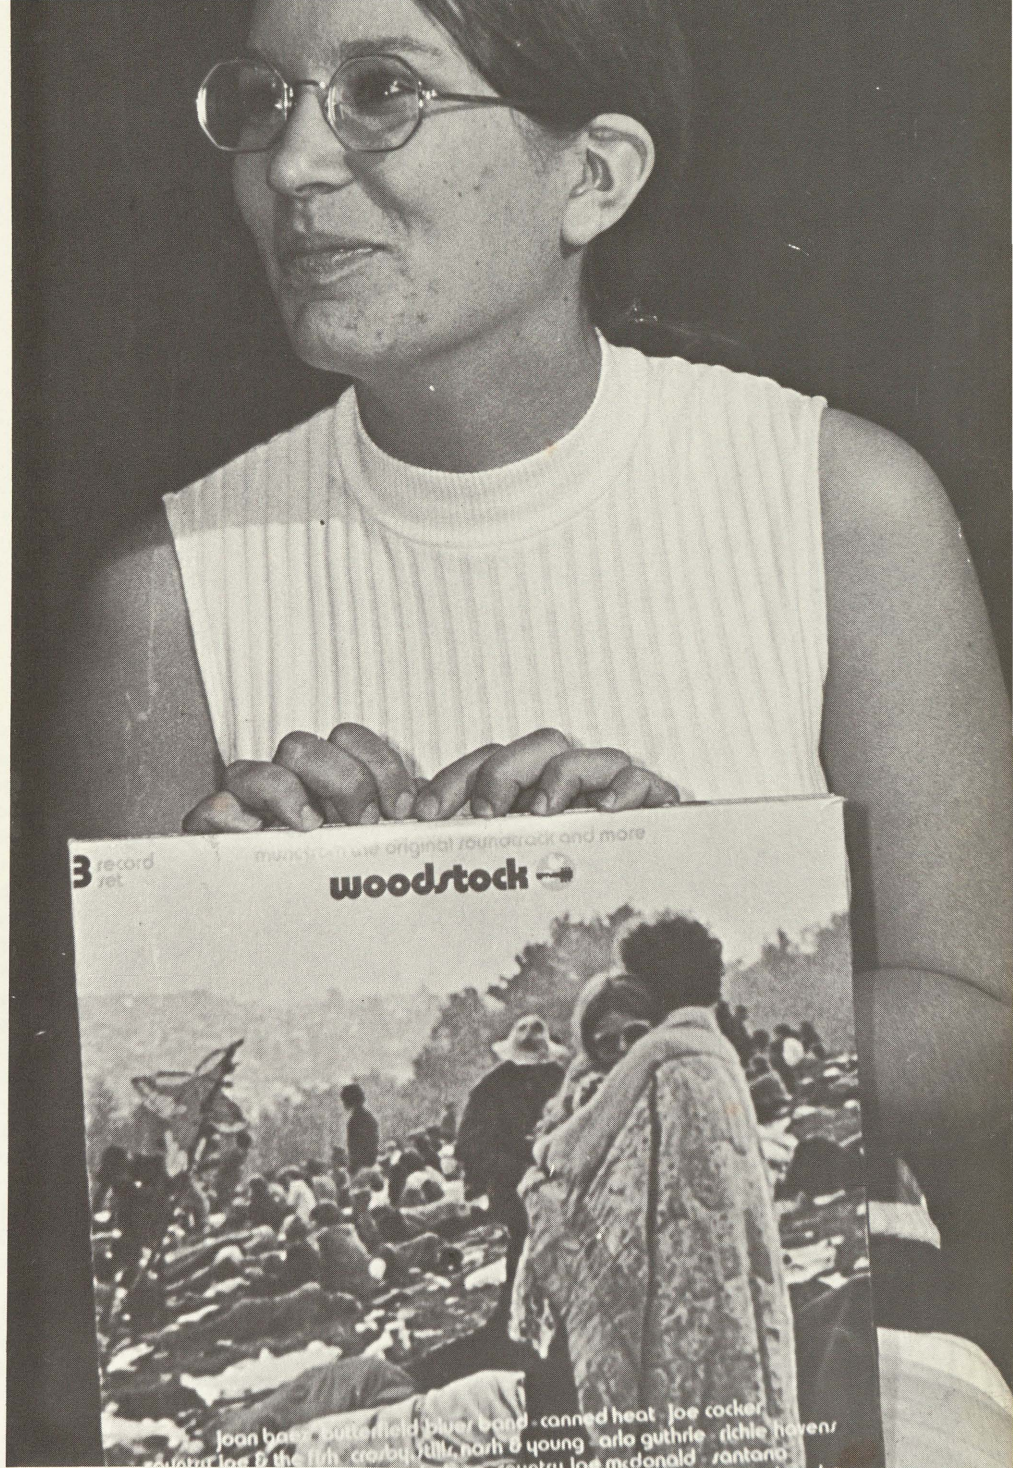

The Junior Class proudly presents "AGE OF PANTHERS".

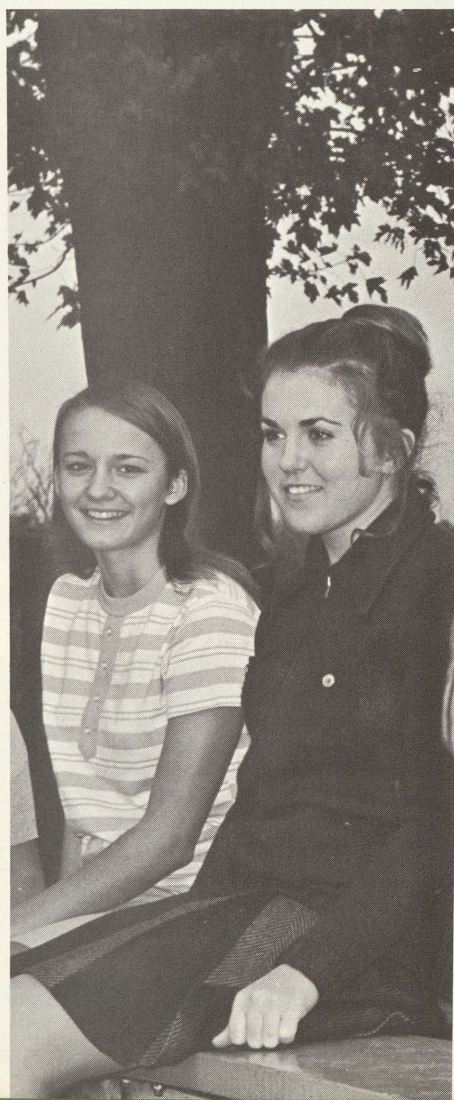

Anxiously students await the announcement for Queen while enjoying the warm fire.

Right: Those were the days when Sandy Sutto, Brady Lawton, Cathy Glinski, Laura Phillips, Tina Stockford, and Ginger Popp got their kicks by playing in the trees.

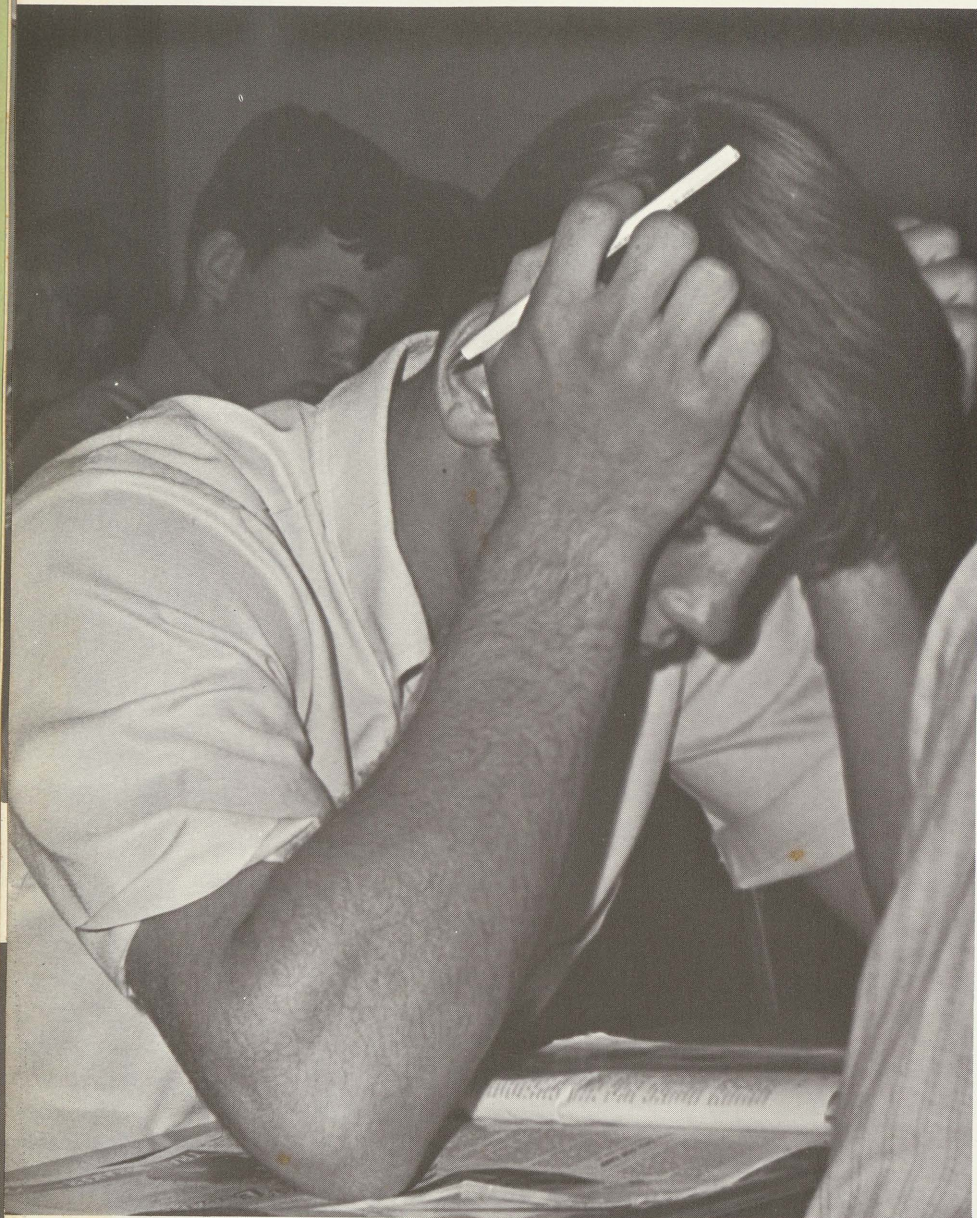

Those were the days of wire rimmed glasses and rock festivals. Cheryl Courtney "digs" them both.

Below: Dean Burditt, photographer, takes time off from taking pictures to relax.

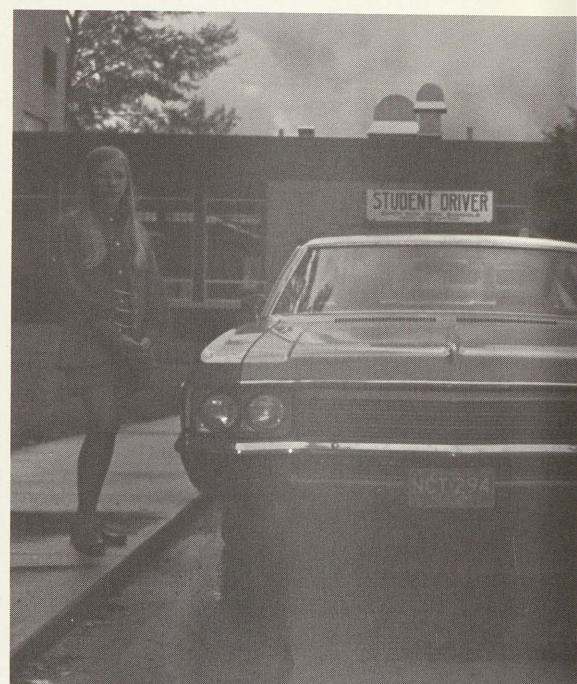

Jerry Fox is very interested in the magazine he is reading in study hall.

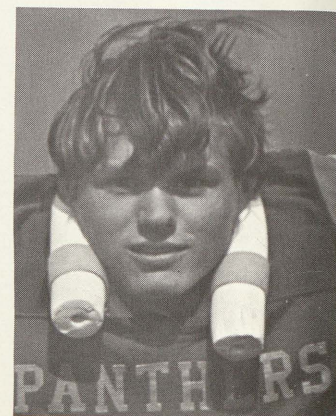

Clayton Kalmbach proudly displays the deer he shot last winter.

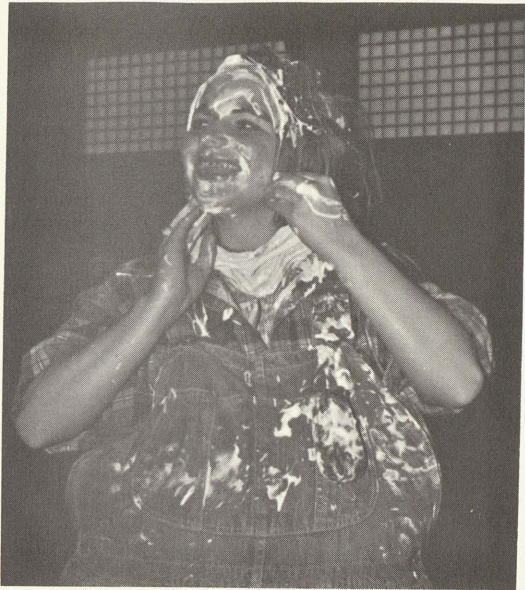

Mary Malicowski and Jim Duby anxiously await to take their turn to drive.

Left: Jeff Kline, Greg Viau, and Mike Sykes. Right: Gene Hadsall.

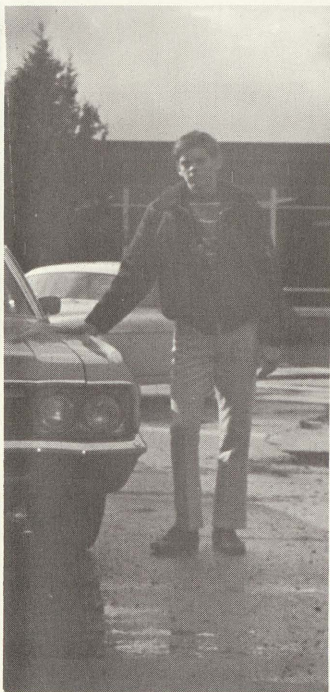

Kathy Niarhos smiles widely as she receives the cream pie for being the ugliest cheerleader.

Mr. McQuarters says "They did it again."

Business Machines & Practices Class flew to Chicago for a business trip to the Merchandise Mart. Selling Christmas trees, candy, household products, baked goods, and rummage all helped raise the needed \$2,400. It was a long day. They left the school by chartered bus in order to catch their plane at Metropolitan Airport. Front Row: Tom Cramer and Glen Sheffer; Second Row: Dean Burditt, Bruce McMann, Clayton Kalmbach, Jeff Kline, Dave Grandy, Steve Malicowski, Steve Cribbins; Third Row: LeAnn Rushon, Debbie Diffin, Barb Mahar, Ginger Magnus, Sherri White, Sandy Polzin, Cindy Muehlenbeck, Kathy Niarhos, Joan Zoebel, Sue Matzke; Fourth Row: Laura Warsin, Pat Cataline, Cheryl Courtney, Jo Owens, Jackie Lawton, Elaine Stroik, Joan Zietz, Judy Parker, Debbie Popp, Kathy Dillon, Mr. Jakiemiec; Back Row: Mr. Kazmier, Mr. Rebier, Ellen Weil, Colleen Leddy, Denise Speikerman, Nancy Bodrie, Bev Johnson. Missing: Gene Hadsall and Mrs. Lynn Matzke.

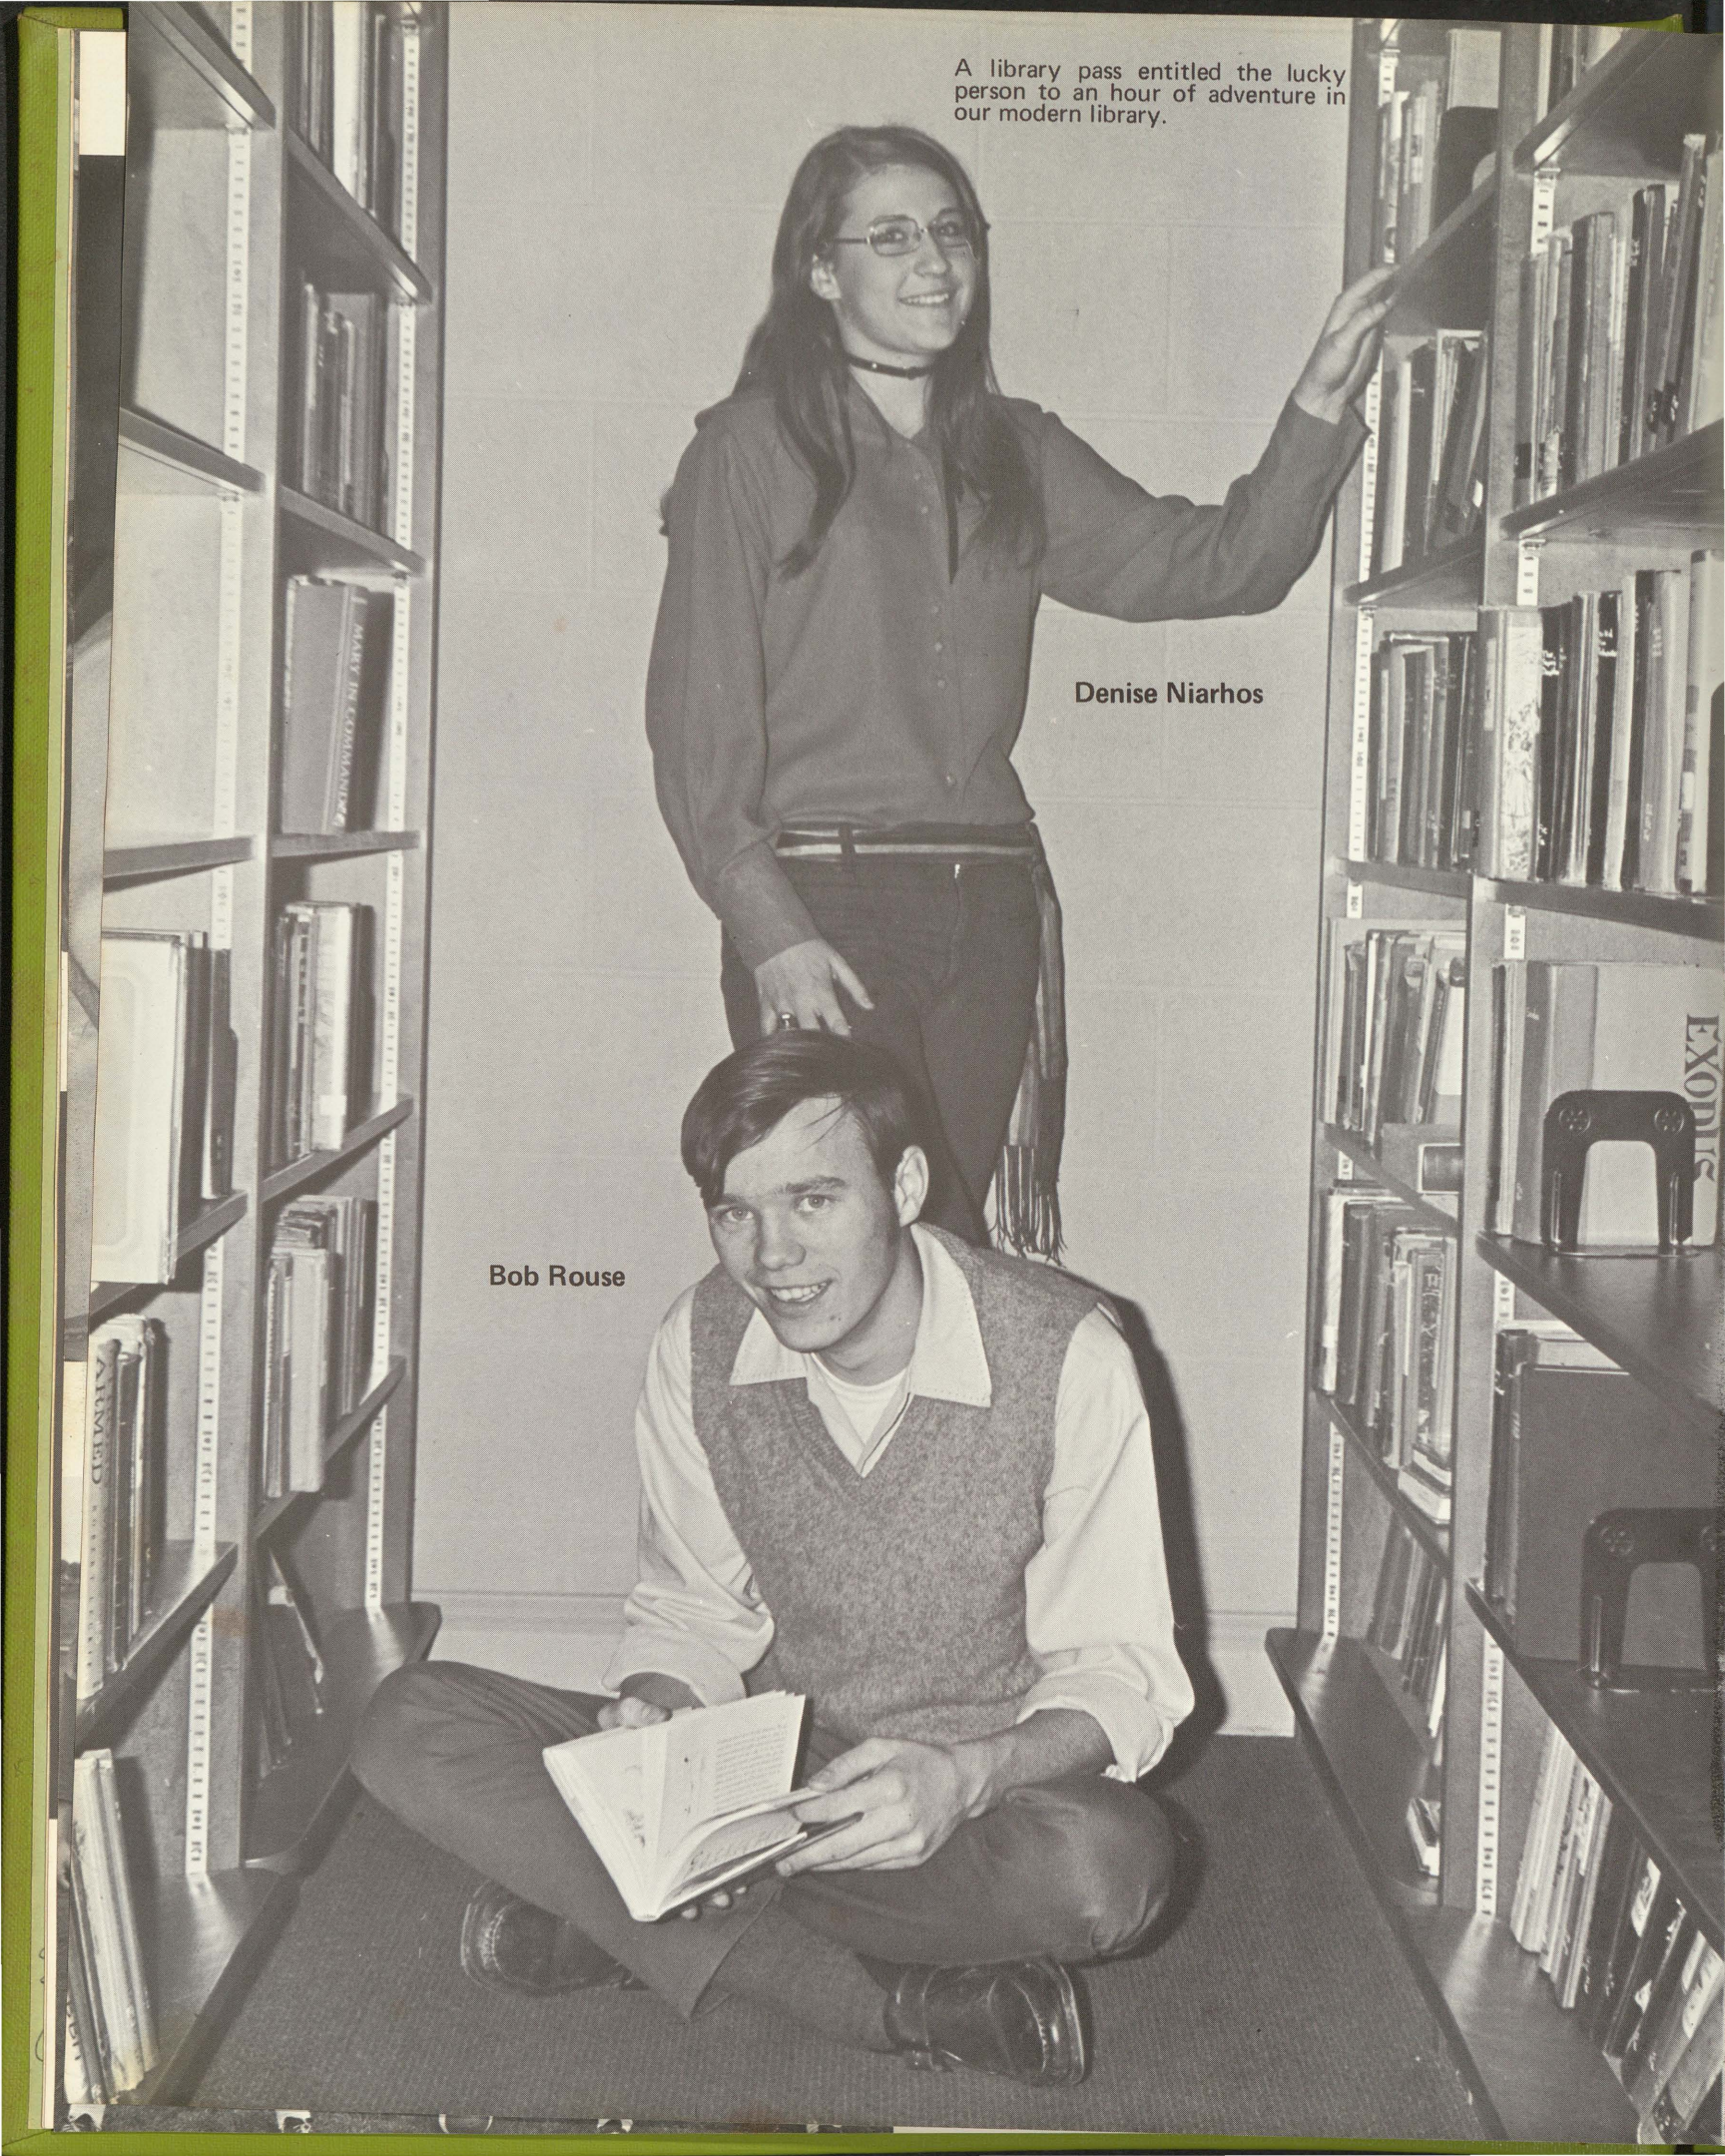

Bruce McMan gives a hardy smile for the cameraman.

A library pass entitled the lucky person to an hour of adventure in our modern library.

Left: We catch a view of Don Compton, Don Morse, Sandy Sutto, and Dan Lazowski clinging to the bridge.

Lower Right: Linda Breiler and Steve Cribbins enjoy a popular hit during the noon break. This year we were fortunate to have a juke box installed in our high school.

Kris Hoby was an exchange student here from Denmark. She lived with the Colosky family.

A message from Kris: It is hard in a few words to express my feelings for this place and the people I've met here. However, I want to thank everybody for making this my most happy and experience-filled year. I have learned a lot about the U.S. and about people as a whole and found a curiousness among the kids here that is really uplifting. I wish you all good luck in the future and hope to see as many of you as possible again, either here or in Denmark.

The team was strong in the field events but hurt badly in the sprints and some distance events.

Only one record was broken this year and that was the pole vault record by Paul Martinus. Other key men returning next year are Carl Raymond in the two-mile, John Doll in the 440 yd. dash, and Roger Tanner in the sprints. Next year the Panthers should look forward to a much improved season.

CHEERLEADERS

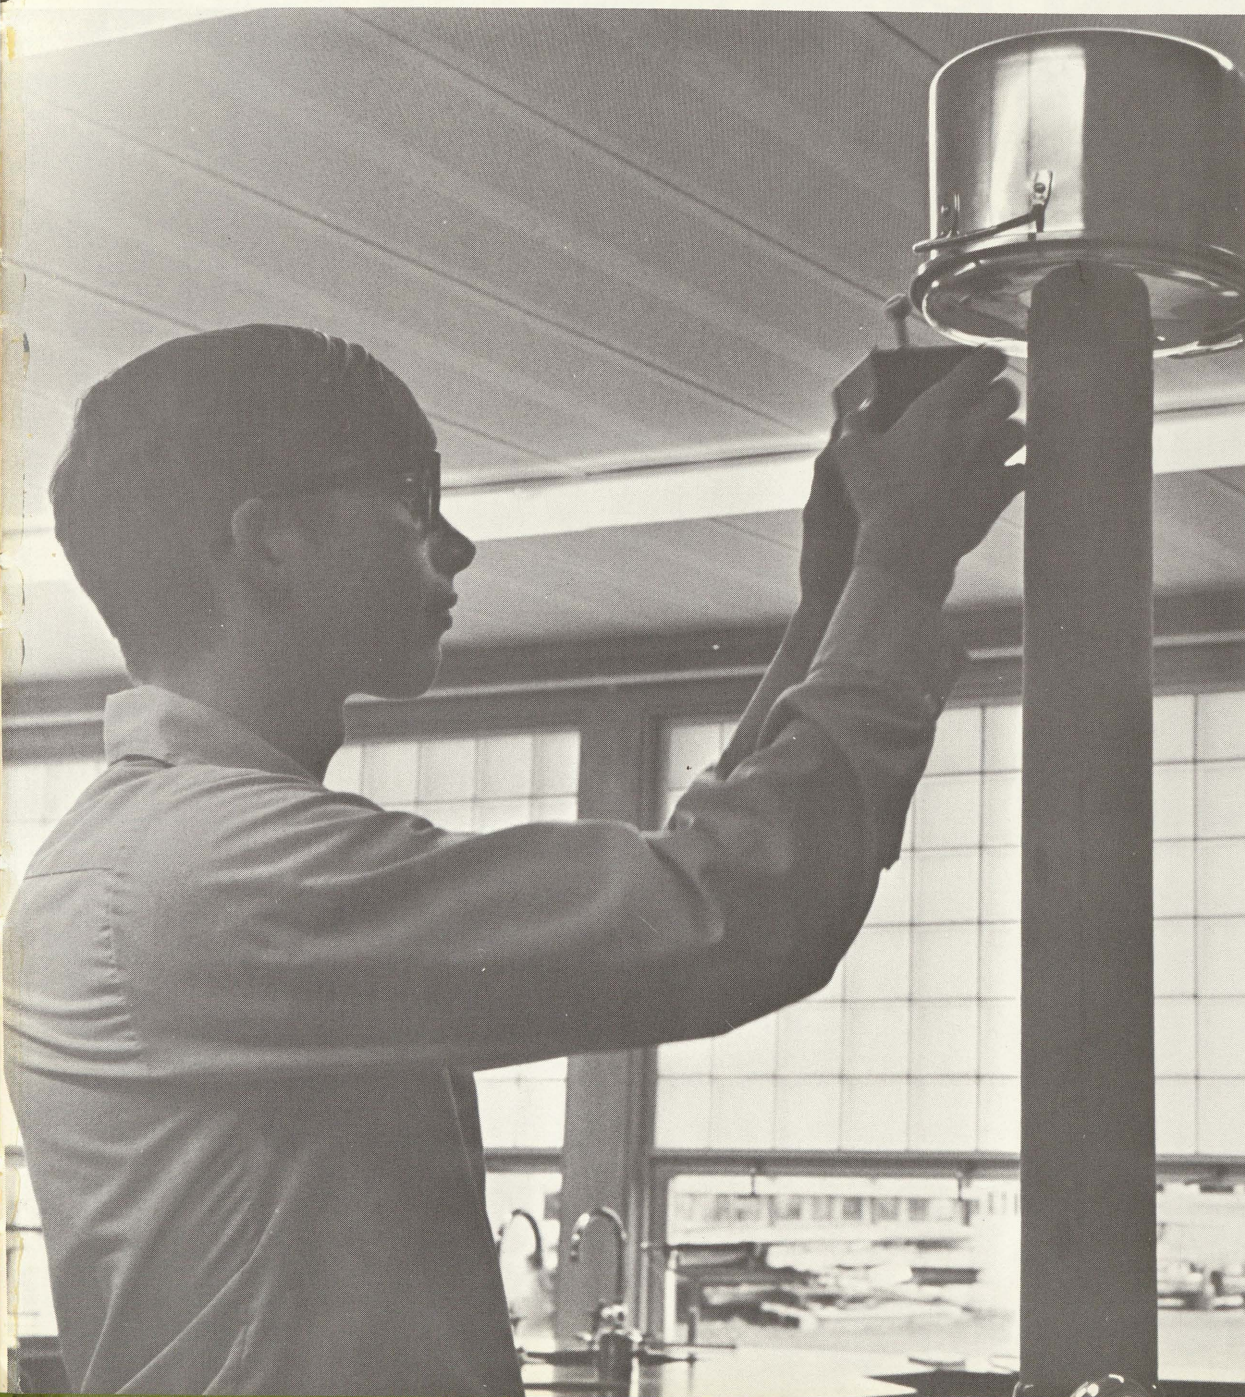

Varsity, Left to Right: Cathy Glinski, Lee Rushton, Joan Belill, Sherri White, Debbie Cooper, Kathy Niarhos, Leah Fox.

JUNIOR VARSITY (Below), Top: Janette Bailer, Debbie Woolworth; Back: Debbie Morse, Sheryl Schmitzer; Middle: Prudie Childs, Michele Cooper; Front: Terri White.

This year found the Birch Run High School fans looking toward the cheerleaders for the inspiration to cheer our teams on, both in the football and basketball seasons. Through their individual efforts as squads, we were able to see some excellent formations and good leadership at our pep rallies. Because of their attitude of good sportsmanship, we, as a school, were represented well to the other schools in our conferences.

Seated at Right: Ed Jacobs and Steve Gust use their microscope to examine cells of blood.

Otto Bacon has worked for months to complete his highly scientific experiment: the Electrostatic Generator, more commonly known as the Van de Graaff.

FOREIGN EXCHANGE

Virginia Almeida was an exchange student from Brazil. She lived with the Ransdell family.

A message from Virginia: It's really hard to put into words all of the experiences that I've had here. This is especially true because I found so many things to love, and because I like each moment here with my family and friends at school. I'm not trying to show a part of my country as a "thing," but I'm being me, a simple girl from Brazil. I want to bring to you a little of the Brazilians as I want to carry with me a little of the Americans when I go back.

Birch Run will be a part of my life and these five months will be in me forever. Thanks for everything.

Students' cars wait impatiently in the early summer sun for their owners to take leave from school.

Lower Right: Mr. John Reiber smiles for the yearbook photographer. He taught as student teacher under Mr. Kazmier in business studies. He also helped in work on the yearbook.

The Student Union is operated entirely by students in the Business Studies Department for the students of Birch Run High School.

The Birch Run High School Band was chosen to appear in concert for the National Education Association of America at their annual Convention this year to be held in Cobo Hall, June 28. Twelve thousand delegates were in attendance from all over the United States.

The band, under the direction of William A. McQuarters was honored to have been chosen and made every effort to represent the community and school well.

Mr. McQuarters said, "The Community can be very proud that the Band was even considered to perform for such an occasion. It is a pleasure for me to stand before such a fine band."
